

Construction of maintenance facility at Plumstead rail head

Crossrail has appointed ATCjv to construct the permanent maintenance facility on the site of the Plumstead rail head currently operated by ATCjv Systemwide.

The project scope includes construction of an accommodation building, a maintenance building, an undercover store and maintenance sidings. The project also includes all earthworks, drainage, utilities and services associated with the maintenance facility.

Once completed, the facility will be used as a base for maintenance operations and to stable and maintain the rail based equipment (yellow plant) that will be used throughout the Elizabeth line tunnels.

The construction works will begin on Tuesday, 29 August 2017 and run through until August 2018.

Initially the works will comprise the installation of site hoarding on White Hart Avenue, delivering of plant and site equipment/cabins and excavation works. Traffic management will be required on White Hart Avenue for approximately 7 weeks with one lane controlled by traffic lights to allow installation of a drainage connection.

All works will be carried out within core working hours between 08:00 and 18:00 on weekdays and 08:00 and 13:00 on Saturdays.

Duration of work

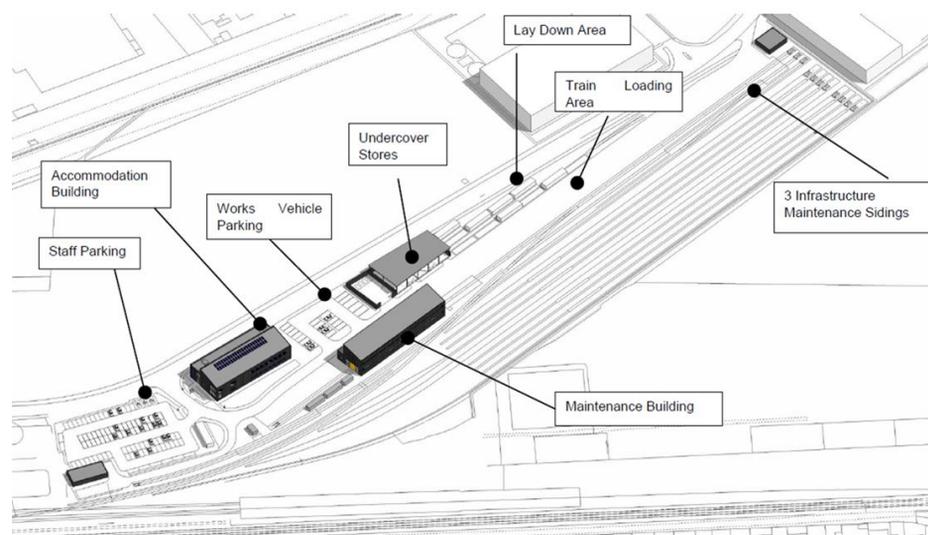

- Works to take place end August 2017 – August 2018
- Core weekday working hours 08:00 to 18:00
- Core Saturday working hours 08:00 to 13:00
- One hour start up and shut down periods are also permitted

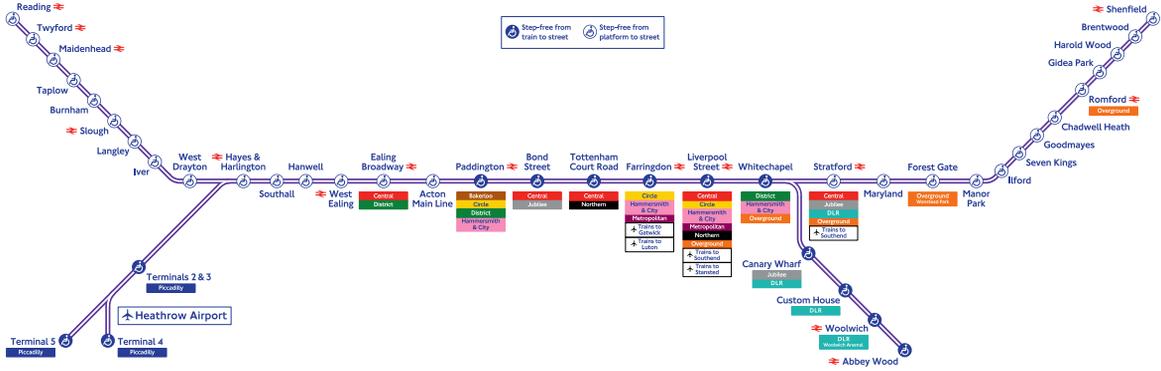

What to expect

- Increase in vehicle movements in the vicinity of the site entrance
- White Hart Avenue to be changed to one lane controlled by traffic lights
- Visibility of operatives on site
- Site establishment (hoarding/fencing/cabins)

What we will do

- Keep noise and dust levels as low as possible
- Monitor noise and keep within permitted levels set by the Royal Borough of Greenwich
- Ensure that traffic management signage is in place
- Keep disruption to the local community to a minimum
- Keep local community informed as work progresses

About Crossrail - Crossrail is Europe's largest infrastructure project, delivering a new railway for London and the South East. When the service opens, the new railway will be known as the Elizabeth line. Trains will travel from Reading and Heathrow in the west to Shenfield and Abbey Wood in the east via new twin tunnels under central London. Linking Heathrow Airport, the West End, the City of London and Canary Wharf it will change the way people travel around London and the South East and add much needed new capacity to London's transport infrastructure.
